Organized by

ITALIAN
EXHIBITION
GROUP
Providing the future

Deutsche Messe

We are the leading international exhibition on environmental technology and circular economy in Mexico, bringing together the most innovative technologies, solutions, products, and services across the four main sectors.

WATER MONITORING AND TREATMENT

WASTE MANAGEMENT AND CIRCULAR ECONOMY

BIOENERGY

SUSTAINABLE CITIES

Our event aims to promote sustainability across various industries by bringing together top exhibitors, business leaders, and strategic partners who offer these solutions to our professional buyers and visitors.

Additionally, **ECOMONDO MEXICO** has become an excellent forum for sharing knowledge on this ecological trend through our academic conferences and Field Trips, providing a great space for networking.
