## SAVE THE DATE

### 3rd European Nutrient Event at ECOMONDO 2018, 8 - 9 November 2018, Rimini, Italy

Please SAVE THE DATE for our **3rd European Nutrient Event**, co-organised with the **Horizon2020 SMART-Plant EU Innovation Action (ESPP member)**, the **European Sustainable Phosphorus Platform (ESPP)**, **HERA**, and **ECOMONDO** for the Mediterranean area.

This **3rd edition in Rimini, Italy**, will be a follow up of the previous R&D events in Berlin (2015) and Basel (2017) ([www.phosphorusplatform.eu/R&D](http://www.phosphorusplatform.eu/R&D)) and **will focus on phosphorus and nutrient recycling and management in Italy, the Mediterranean region and in EU research, development and innovation.**

<b>8th November 2018</b>	<b>State of the art and regulatory framework + nutrients recovery technologies and water reuse</b>
<b>9th November 2018</b>	<b>Nutrients recycling research, development and innovation</b>
